What You Will Get In “2018 Trikal Samhita”

Dear Pooja Sharma

We congratulate you for choosing a brighter and more prosperous 2018. With the help of “2018 Trikal Samhita”, we’re sure, this year is going to be a feather in your cap. It will not just be a beacon of hope, but will also provide you with concrete predictions and simple solutions to all your problems.

The 2018 Trikal Samhita is based on the ancient principles of Vedic Astrology. The seers of yore, in their meditative superconscious state, discovered this science to alleviate human sufferings and help innate potential to bloom. Using that same science, we’ve created the 2018 Trikal Samhita, so that you can realize and utilize your inherent potential to the fullest, and get success in 2018.

As the flow of cosmic energies keep changing throughout the year, you will find what circumstances—helpful or difficult—will prevail during different periods in 2018. Also, you will get to know dos and don’ts, and remedies to dodge potholes that may impede your growth. We have analysed and presented different Raj Yogas and other special Yogas being formed in your birth-chart.

To give you the crux of it all, we have also developed a unique index that shows the strength of this year. In other words, the more the strength, the better the chances are there for you to use your potential and achieve desired results.

We believe that you are unique and, therefore, the 2018 Trikal Samhita will provide you in-depth analysis, accurate forecast, and easy-to-follow suggestions that are especially tailor-made for you. With the help of the 2018 Trikal Samhita, tread the path of success, satisfaction, happiness, and mental peace in all spheres of your life during this year. We welcome you to this amazing journey with us, a journey of joy and prosperity in 2018.

With warm regards,

Punit Pandey

From this perspective, this year is going to be unique too. The remedy given here will save you from difficult situations in this year and will assist you in boosting your fortune. This remedy can be performed throughout the year. According to Vedic Astrology, remedial measures help us get rid of our problems and increase positive energy in our lives. Every year brings unique opportunities and challenges. From this perspective, this year is going to be unique too. The

remedy given here will save you from difficult situations in this year and will assist you in boosting your fortune. This remedy can be performed throughout the year. The remedial measure for you is:

Chant this mantra everyday: ॐ नमः शिवाय

Year 2018 Special

This year consists of many changes—some are going to be pleasant, while others may not be as per your wishes. On the one hand, you will get many achievements during this time. On the other hand, you will be tested at times. Therefore, we want to attract your attention to certain important things, which will help you get best of this year and save you from potholes. These suggestions might seem quite basic, but they are going to yield deep and long-term effects. Let's have a look at some such important factors that you must keep in mind in this year:

Dos

- Take good care of parents.
- Maintain your dignity and self-respect.

Don'ts

- Do not insult your employer.
- Avoid doing any activity which can hamper your image in the society.

Comprehensive Analysis Of Year 2018

The subtle energies that affect your life keep in flux throughout the year. Therefore, in-depth analysis of your year shows different results in different spheres of life. We have already gone through the summary of how this year is going to be for you. Now, let's have a look at detailed forecast based on how energies influence various segments of this year

January 01, 2018 - February 22, 2018

Finance

The situations might be dicey from the financial point of view. You should therefore not take any step in a hurry during this period. Your expenses will be balanced by your inflow of money.

You should try to save your money as you might need it in the near future.

Career

Ups and downs will be frequent in your career life. You should be very careful during this period as a small mistake can render you jobless. Be disciplined and punctual, otherwise, you will have to withstand many difficulties. Your relationship with your colleagues might get bitter during this phase, which might make it difficult for you to stay calm at your workplace. You are advised to handle the situations with a mature approach.

Family Life

It will be good for you to ignore petty matters. Overthinking about trivial issues and reacting to them will only make them worse. Your children will be the source of your happiness during this phase. The health of your siblings might deteriorate and should be taken care of. You would get a good news from your father. If there is a problem going on in your home, you should try to find the solution to bring an end to it.

Love And Marital Life

You will witness a good period in your love life. You would get a chance to travel with your love partner and spend time with them. If you are married, you might have to confront some tough situations. Do think well before speaking if you do not want to upset your partner.

Health

This period will not be a good one for your health. You will have problems related to your physical health and wellbeing. Fatigue and pain would trouble you every now and then. Try to keep your body fit and consult medical advice if necessary.

Things To Remember In This Period

Do's

- Do not betray anyone in business partnership.
- Quit negligence towards your spouse.

Don'ts

- Do not eat meat, fish, egg and so on.
- Do not get involved in any intimate relationship other than with your spouse.

Remedies

- Everyday before eating, feed a small portion of your food to cow, dog and crow.
- Donate a Chaya Patra or iron vessel filled with oil after observing your face shadow in it.

February 22, 2018 - April 15, 2018

Finance

Mercury in fourth house means you'll develop business skills. As a result, you'll be able to make good progress in your business and attain success. You'll spend money on materialistic pleasures and luxuries. You'll receive some good news. There is a possibility of an auspicious event being conducted within your home. Your efforts will bring in good results and you'll attain the pleasure of vehicles.

Career

You might take an increasing interest in music and dance. If you belong to the writing genre professionally, you may achieve popularity. You'll meet intellectual and highly skillful people during this time and flourish with the help of their advices and direction. Refrain from laziness and stay strong on your words.

Family Life

There will be peace and prosperity in family life. Relationship with parents will remain good, and you'll make progress using their assistance. You might have ideological differences with friends.

Love And Marital Life

Marital life will be blissful. You'll spend beautiful moments with spouse. You'll bear happiness due to your children, as they'll perform well in studies, job or business. You'll feel proud of their success.

Health

You'll have a good health and feel energised and refreshed. You'll be happy and satisfied, both physically and mentally. You'll perform better professionally due to a fit physique.

Things To Remember In This Period

Do's

- Make it a habit to spend some quality time with family members.

- Take out time for playing or entertainment apart from studies.

Don'ts

- Get rid of your habit of constantly changing housing locations.
- Do not mix your personal and professional life. Keep it separate.

Remedies

- Donate Moong Dal (sabut).
- Put green cardamom (Elaichi) in Moong Dal Halwa and donate it.

April 15, 2018 - May 06, 2018

Finance

You will get mixed results in the field of finance. If you are planning to invest in the share market, you should first weigh the pros and cons before taking a step. You should invest your money only after observing the market trends carefully. Cut off unnecessary expenditures and avoid indulging in gambling.

Career

Your performance at your work front will be noteworthy. Your seniors will favour you and you will enjoy perks due to the same. Your creative and out-of-the-box thinking will make you stand out. Journeys related to work will produce results, but not upto your expectations.

Family Life

Peace and harmony will prevail at your home. An auspicious activity might take place at your home front. You will get along with your family members but might have a difference of opinion with your father. You should respect him and should not say anything that might hurt him.

Love And Marital Life

The time will be good for your married life. A great accomplishment can be achieved by your spouse. Because of their hard work and efforts, your respect in the society will increase. Love life will have favorable conditions. You will get many chances to spend romantic time with your partner.

Health

During this period, your health will be maintained. Chronic disease can be get rid of. Due to good health, you will be able to look fit. In order to keep yourself fit, do yoga and stay away from any kind of addictions.

Things To Remember In This Period

Do's

- Visit holy places and pilgrimages from time to time.
- Take care of your father's health and maintain a good relationship with him.

Don'ts

- Do not become too fanatical about your ideas.
- Do not get into any kind of dispute with siblings.

Remedies

- Recite Ketu Beej Mantra.
- Donate a smokey-colored cloth.

May 06, 2018 - July 06, 2018

Finance

During this period, economic life will be normal. You'll try to achieve economic prosperity through constant efforts. Your reputation and respect in society will increase, and you'll gain wealth. If you are serious about saving money, plan and start managing. Short trips will prove beneficial.

Career

If working professionally, conditions in the workplace will improve and your work will get recognized. Fate will be with you and as a result, you will achieve success in your work. Short trips will become successful. You'll make new contacts.

Family Life

Family life will be blissful and siblings will also be prosperous and happy. Relations with parents will be good, and their guidance will help you cross many obstacles. During this time period, several opportunities regarding going on trips with your father will come in your way.

Love And Marital Life

During this period, your marriage life will be enjoyable. Your spouse might get an opportunity to travel abroad. Your beloved will be a lot more affectionate towards you. Therefore, be decent, stay in your limits and avoid doing anything that might hamper your relationship.

Health

During this period, your health will generally be good. Although there may be the possibility of minor ailments seeping up. Also, you might suffer from stomach disorder. Therefore, focus on your diet. Take no stress and adopt a balanced routine after medical consultation.

Things To Remember In This Period

Do's

- Strengthen your relationship with sisters and brothers.
- Develop and work on any of your hobby.

Don'ts

- Try to stay away from excessive sensual thoughts.
- Do not let your spouse suffer because of you in any way.

Remedies

- Keep the first small portion of your food for the cow.
- Take a medicinal bath using nutmeg.

July 06, 2018 - July 24, 2018

Finance

During this period, along with earning more money, you'll focus on saving some as well. You'll save some money from your regular income. If you are leading a business and dealing with gold or silver, you'll be highly benefited. There might be sudden profits if you're dealing with jewelry-related business. In addition, trips during this period will also prove beneficial for you.

Career

During this period you will have to work hard to achieve success, but the results will be worth it. Your heart's wishes will be fulfilled. Sun in the fourth house will compel you to incline towards evil and immoral actions, hence avoid getting involved in such activities and

wrongdoings and you might get into trouble.

Family Life

Your parents' health might deteriorate, so take special care of them. In case of anything critical, go to the doctor immediately. With Sun in fourth house, there is a possibility of strong disputes between brothers. Hence, try to resolve and balance out things with them. Also, you might become estranged with your father, so try to maintain cordial relations with him.

Love And Marital Life

It will be a painful time for married and love life. Stay attentive in order to avoid any distance in relationship. Do not argue with spouse or pressurise them. Maintain transparency in love. Give your beloved their personal space.

Health

Your health might decline, and aggression will increase. Also, you may suffer from mental stress. Do yoga and meditate in order to avoid stress. Give special attention to your diet and eating habits. You might catch skin diseases such as ringworm, scabies, itching etc. Take proper medical advice in these circumstances.

Things To Remember In This Period

Do's

- Take care of your mother's health.
- Fulfil your family's requirement with an open heart.

- Do not behave like a traveler in the family and give them proper time.

Remedies

- Use Kesar and Saffron in your daily food.
- Use Aakde or Calotropis plant as a Samidha or holy firewood in Yagna.

August 24, 2018 - October 18, 2018

Finance

You will get average results in the financial sector. Your expenses are likely to exceed your income and you should tighten your belt if you do not want to face financial issues. You might get a loan if you apply for it.

Career

You might be able to get a new job. You should be well prepared to combat any difficulty that you encounter. The time does not seem to be good for your career and thus, you should be careful. Do not lose confidence in yourself.

Family Life

The circumstances at your home front might be a bit precarious. You might have a bitter relationship with your family members. There would be some persistent problems troubling you and your family. You should try to find the solution rather than worrying about it. Do not let other people create a rift in your family.

Love And Marital Life

Your spouse might have to go through problems in their life and your relationship with them would be affected as a result. Do not utter any disrespectful word as it might hurt the sentiments of your spouse. If you are in a love relationship, you must try to spend time with your partner in order to know each other well.

Health

You might feel exhausted because of the journeys that you take. Ophthalmic issues are likely so you need to be very careful about your eyes. Consult an ophthalmologist as and when necessary. Abstain from consuming oily and spicy foods.

Things To Remember In This Period

Do's

- Stay loyal with your life partner.
- Use your money and do not spend unnecessarily.

Don'ts

- Do not go against law to fulfil any task.
- Do not take or give anything for free from anyone.

Remedies

- Keep Grass on the ground and place a heavy object on it.
- Give away coconut in flowing river/water.

October 18, 2018 - December 05, 2018

Finance

Your efforts will be successful and you'll be financially blessed. During this period, trips due to work will bring in great results. With financial background becoming stronger, your reputation in society will become stronger. Try to control your expenses and avoid spending on unnecessary things.

Career

During this period, you'll get plenty of respect and become entitled for appreciation and praise. Your confidence as well as social circle will increase. Short trips will be successful. You'll share a great rapport with partners and coworkers. If working, there is a possibility of you gaining a raise in designation or promotion. Also, your business can be expanded.

Family Life

In order to uplift your family, you would want to do some important work. You will be on good terms with parents and take their guidance in order to achieve success. Your brothers and sisters in this period will lead a prosperous life. During this period, you will come across many opportunities to go on family trips.

Love And Marital Life

Marital life would be happy. Your spouse can get the opportunity to travel abroad. In case of a relationship, you'll get a lot of love from your beloved. Avoid doing anything that can create a rift in your relationship.

Health

During this period, your health will generally be good. Although there may be the possibility of minor ailments surfacing up. You might suffer from stomach related disorders. Focus on what you'll eat. Do not take stress, adopt a balanced routine after medical consultation.

Things To Remember In This Period

Do's

- Share your ideas with others as well.
- Take care of your siblings' health.

Don'ts

- Quit laziness.
- Do not do multi-tasking at one time.

Remedies

- Make yellow rice on Thursday and distribute amongst children.
- Donate books to a poor student.

December 05, 2018 - December 31, 2018

Finance

Financial problems might trouble you during this month. This might tense you up and cause you mental stress. You should not involve yourself in risky matters as there are chances of losses. You should tighten your belt, otherwise, you might get bankrupt during this period.

Career

Your progress at your career will be slow and steady. Your creativity will be hampered and you will have a hard time in figuring things out. You will always be in two minds, which will make it difficult for you to make a decision. You should not have false hopes otherwise you would have to face disappointments.

Family Life

The health of your children might deteriorate during this phase and must, therefore, be taken care of. Your friends might exhibit a hostile attitude towards you and a rift in your friendship would be created due to the same. There might be some chaos at your home front, which should carefully be dealt with. Your family members might quarrel among themselves.

Love And Marital Life

Your love life would be put to test during this period. You should make your partner realise how much near and dear you hold them. Do not impose your thoughts upon them as it might make them feel that you do not consider their opinion to be of any importance. Married people will spend a happy married life. You might receive some gains from your spouse within this period.

Health

Your body would be more vulnerable to diseases during this phase. Mental tensions and worries will linger in your mind, leading to confusion and anxiety. You should maintain a good body posture otherwise you would develop drooping shoulders. You will become the victim of fatigue and monotony if you do not try to keep yourself active.

Things To Remember In This Period**Do's**

- Do share your deep desires and feelings with the one you are close.
- Bring intimacy in relationships.

Don'ts

- Do not behave rudely with anyone and respect their feelings.
- Do not be rude towards your children.
